19 SEPTEMBER 07

Baby Calming

Organised by NHS-Connect, this workshop is aimed at midwives, nurses, health visitors, Sure Start workers and other members of the maternity services, primary care or community teams. This workshop aims to:

- bring together health professionals involved in supporting new parents and their babies

- look at how personal experience affects the suggestions made to parents
- explore a variety of research based techniques to empower parents to effectively soothe their crying babies
- explore solutions to colic in new babies
- explore the concept of routines and unrealistic expectations.

Venue: London
Cost: £78
Contact: Tel: 020 8993 3441
Fax: 0870 770 3237
connect@nct.org.uk

19-21 SEPTEMBER 07

Pulmonary Hypertension in the Young

Pulmonary hypertension is more common in children and young people than adults and yet has received much less attention. This international meeting will help to rectify the situation.

Topics to be covered include:

- Idiopathic pulmonary arterial hypertension
- Pulmonary hypertension and congenital heart disease
- Pulmonary hypertension and chronic lung disease
- Persistent pulmonary hypertension of the newborn

Cost: £280-400
Venue: Royal College of Physicians, London

23 OCTOBER 07

annp.uk Conference – The Total Body Experience

This is a provisional date for this conference, which depends on the support available. annp.uk need at least 40 people to commit to attending to actually make the conference a reality. The plan is to have a presentation on each of the major body systems as well as some shorter presentations on research projects done by ANNPs and other subjects currently of interest to ANNPs. So help make the day a success by registering your intention to attend.

Venue: Liverpool Women's Hospital
 Cost: £60 including tea/coffee and lunch
 Contact: Andy Grady
 andy.grady@annp.org.uk

9 NOVEMBER 07
